# Cuba

Total population: 11,271,000

Total deaths: 89,000

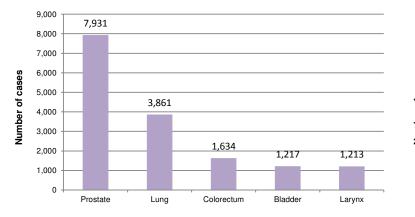

### Age-Standardized Cancer Mortality Trends

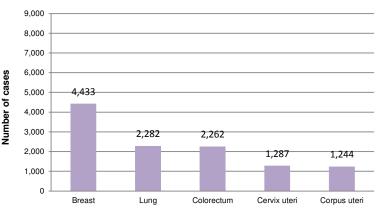

## Adult Risk Factors

	Males	Females	Total
Current tobacco smoking (2011)			
Total alcohol per capita consumption, in litres of pure alcohol (2010)	8.8	1.6	5.2
Physical inactivity (2010)			
Obesity (2014)	20.4%	34.0%	27.2%
Household solid fuel use (2012)	-	-	7.0%

Cancer Plans, Monitoring and Surveillance		
Has an operational cancer policy/strategy/action plan	Yes	
Has a cancer registry	Yes	
Scope	Population-based	
Coverage	National	
Last year of data	2009	

## **Cancer Primary Prevention Policies**

Tobacco control

Tobacco dependence treatment     NRT and/or s       Warning labels     Medium size	Yes	
Warning labels       Medium size         Bans on advertising, promotion and sponsorship       Complete al         Tobacco taxes       Image: Complete al         Overweight and obesity prevention and control       Image: Complete al         Has an operational policy, strategy or action plan for reducing overweight/obesity       Image: Complete al         Physical inactivity prevention and control       Image: Complete al         Has an operational policy, strategy or action plan for reducing overweight/obesity       Image: Complete al         Has an operational policy, strategy or action plan to reduce physical inactivity and/or promote physical activity       Image: Complete al         Harmful use of alcohol prevention and control       Image: Complete al         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol       Image: Complete al         National immunization       Image: Complete al         Human Papillomavirus vaccination schedule       Image: Complete al         Hepatitis B vaccination coverage, infants       Image: Complete al         Cancer Screening and Early Detection       Image: Complete al	Three to five public places completely smoke-free	
Warning labels       Complete al         Bans on advertising, promotion and sponsorship       Complete al         Tobacco taxes       O         Overweight and obesity prevention and control       Has an operational policy, strategy or action plan for reducing overweight/obesity         Physical inactivity prevention and control       Has an operational policy, strategy or action plan to reduce physical inactivity and/or promote physical activity         Harmful use of alcohol prevention and control       Has an operational policy, strategy or action plan to reduce the harmful use of alcohol         National immunization       Human Papillomavirus vaccination schedule         Hepatitis B vaccination coverage, infants       E         Cancer Screening and Early Detection       E	NRT and/or some cessation services (at least one of which is cost-covered)	
Bans on advertising, promotion and sponsorship       Image: constraint of the sponsorship         Tobacco taxes       Image: constraint of the sponsorship         Overweight and obesity prevention and control       Image: constraint of the sponsorship         Has an operational policy, strategy or action plan for reducing overweight/obesity       Image: constraint of the sponsorship         Physical inactivity prevention and control       Image: constraint of the sponsorship         Has an operational policy, strategy or action plan to reduce physical inactivity and/or promote physical activity       Image: constraint of the sponsorship         Harmful use of alcohol prevention and control       Image: constraint of the sponsorship       Image: constraint of the sponsorship         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol       Image: constraint of the sponsorship       Image: constraint of the sponsorship         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol       Image: constraint of the sponsorship       Image: constraint of the sponsorship         Human Papillomavirus vaccination schedule       Image: constraint of the sponsorship       Image: constraint of the sponsorship         Hepatitis B vaccination coverage, infants       Image: constraint of the sponsorship       Image: constraint of the sponsorship         Cancer Screening and Early Detection       Image: constraint of the sponsorship       Image: constraint of the sponsorship	Medium size warnings missing some appropriate characteristics OR large warnings missing many appropriate characteristics	
Overweight and obesity prevention and control         Has an operational policy, strategy or action plan for reducing overweight/obesity         Physical inactivity prevention and control         Has an operational policy, strategy or action plan to reduce physical inactivity and/or promote physical activity         Harmful use of alcohol prevention and control         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol prevention and control         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol         National immunization         Human Papillomavirus vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection	Complete absence of ban, or ban that does not cover national television, radio and print media	
Has an operational policy, strategy or action plan for reducing overweight/obesity         Physical inactivity prevention and control         Has an operational policy, strategy or action plan to reduce physical inactivity and/or promote physical activity         Harmful use of alcohol prevention and control         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol prevention and control         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol         National immunization         Human Papillomavirus vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection	>75% of retail price is tax*	
Physical inactivity prevention and control         Has an operational policy, strategy or action plan to reduce physical inactivity and/or promote physical activity         Harmful use of alcohol prevention and control         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol         Mas an operational policy, strategy or action plan to reduce the harmful use of alcohol         National immunization         Human Papillomavirus vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection		
Has an operational policy, strategy or action plan to reduce physical inactivity and/or promote physical activity         Harmful use of alcohol prevention and control         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol         National immunization         Human Papillomavirus vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection	Yes	
physical activity         Harmful use of alcohol prevention and control         Has an operational policy, strategy or action plan to reduce the harmful use of alcohol         National immunization         Human Papillomavirus vaccination schedule         Hepatitis B vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection		
Has an operational policy, strategy or action plan to reduce the harmful use of alcohol         National immunization         Human Papillomavirus vaccination schedule         Hepatitis B vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection	Yes	
National immunization         Human Papillomavirus vaccination schedule         Hepatitis B vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection		
Human Papillomavirus vaccination schedule	Yes	
Hepatitis B vaccination schedule         Hepatitis B vaccination coverage, infants         Cancer Screening and Early Detection		
Hepatitis B vaccination coverage, infants Cancer Screening and Early Detection		
Cancer Screening and Early Detection	Birth	
	96%	
Cervical cancer		

Cervical cytology (PAP)	Generally available at the public primary health care level	
Acetic acid visualization (VIA)	Not generally available at the public primary health care level	
Breast cancer	1	
Breast palpation / clinical breast exam (CBE)	Generally available at the public primary health care level	
Mammogram	Generally available at the public primary health care level	
Colorectal cancer		
Faecal occult blood test or faecal immunological test	Generally available at the public primary health care level	
Bowel cancer screening by exam or colonoscopy	Generally available at the public primary health care level	
Cancer Treatment and Palliative Care		
Radiotherapy	Generally available in the public health system	

Radiotherapy	Generally available in the public health system	
Total high energy teletherapy units / million inhabitants	1.2	
Number of radiotherapy centres	9	
Number of radiation oncologists	38	
Chemotherapy (medicines not specified)	Generally available in the public health system	
Oral morphine (formulation not specified)	Not generally available in the public health system	
Non-methadone morphine equivalent consumption per cancer death (mg)		
Community/home care for people with advanced stage cancer and other NCDs	Generally available
