International Cancer Control Partnership ECHO Program

Welcome!

The session will begin soon.
Please:
- ✓ Put yourself on mute
- ✓ Turn on video if possible
- ✓ Use the chat to ask questions at any time
- ✓ Introduce yourself via chat when you enter the meeting

Note: These sessions will be recorded, and the recording made available to participants.

SESSION 1: SETTING THE STAGE – ICCP ECHO PROGRAM ORIENTATION

Project ECHO®

INTERNATIONAL CANCER CONTROL PARTNERSHIP

ICCP ECHO Purpose and Outcomes

- Increased knowledge about and awareness of NCCP implementation resources, tools

- Increased knowledge about NCCP implementation strategies

- Increased capacity to understand and identify factors influencing NCCP implementation

- A network of expertise and practice among countries

- Progress related to 1-2 NCCP implementation priorities

ICCP ECHO Program Structure

- Monthly sessions

- Basecamp and ICCP Portal

- Country Team collaboration

  o Self-led team discussions to work on priorities identified

  o Pre-session questions to discuss and share answers during sessions

- ICCP ECHO evaluation

Working on Country Team NCCP Priorities: Criteria

1. Is this something in line with/from our National Cancer Control Plan?

2. Is it realistic to make significant progress on this priority over the next 12 months?

3. Is this something we can work on together as a team?

4. Are there existing programs, resources and partners we can leverage to make progress on this priority?

ICCP ECHO Session Topics 2021-2022

- November: ICCP ECHO Orientation

- December: Sharing/presentation of country priorities

- January: Building partnerships and engaging collaborators in NCCP implementation

- February: Creating a NCCP implementation plan

- March: Costing and financing the NCCP

- April: Monitoring and evaluation of the NCCP

- May: Mid-point Progress Review Session: Country team sharing about progress with implementation priorities

- June: Improving service delivery through NCCP implementation (e.g., reducing time from diagnosis to treatment)

- July: Integration of NCCP efforts with other health programs and systems

- August: Mobilizing healthcare workforce through NCCP implementation

- September: Supporting research through NCCP implementation

- October: Sustaining NCCP efforts – Capstone Session

Session topics and case presentation assignments are on Basecamp

Country Team and ICCP Partner Introductions

Answer in chat:

- What is the best reason to visit your country?
